WARRANTY, DISCLAIMER AND LIMITATION

- A. This product is believed by Ansul Incorporated (“Ansul”) to be a highly effective aid in suppression or reduction of the hazards of fire when used according to the instructions for use found on the product container. Since, however, Ansul has no control over the customers’ use of the product or applications to which it is employed and because of the many variables associated with fire, Ansul cannot and does not warrant that its foam agent(s) will suppress or extinguish every fire. Before using, user shall determine the suitability of the product for the intended use, and user assumes all risk and liability whatsoever in connection therewith.
- B. Ansul warrants that this product conforms to its technical specification for a period of one (1) year after the date of sale by Ansul provided that the product is maintained in a container or equipment approved by Ansul, stored within the temperature range noted on the product container label, and not mixed with foreign substances. Ansul’s only obligation and purchaser’s sole remedy for breach of warranty shall be to replace quantities of the product which, in Ansul’s opinion, do not meet Ansul’s specifications within the warranty period.
- C. ANSUL MAKES NO OTHER WARRANTY OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE. UNDER NO CIRCUMSTANCES SHALL SELLER OR ANSUL BE RESPONSIBLE FOR SPECIAL, CONSEQUENTIAL, OR SIMILAR DAMAGES OF ANY KIND.
